Report of the Police Department

To the Honorable Board of Selectmen
and the Citizens of the Town of Mashpee:

I hereby submit the Mashpee Police Department's annual report for the year 1992.

1992 has been a busy year for the Police Department. Calls for services rose 7.13 percent, 999 more calls than the previous year.

The crime statistics for Mashpee show an increase of 4.1 percent in the more serious part-one crimes and a decrease of 23.8 percent in the lesser part-two crimes.

The department was very busy investigating domestic disturbances this year. The number of cases increasing from 193 in 1991 to 269 in 1992. This type of disturbance can be burdensome to a small department such as ours; an officer and sometimes two officers can be tied up for hours on one case, helping victims, attempting to locate spouses, contacting court officials, serving court documents and appearing in court.

Court time also increased. Hours spent in court increased by 332 hours, from 2,182 hours in 1991 to 2,514 hours in 1992. The overall court activity increased by 17.8 percent.

The major goal of the department in the coming year is to improve upon law enforcement efforts regarding enforcement of crimes against persons and property and drugs and an attempt to reduce part I and part II crimes. In addition, our goal is to increase our authorized manpower so that we can move the department for traditional policing to more community orientated and community problem solving.

Police personnel action; Detective Scott McCabe resigned to attend the State Police Academy. He is now a full fledged State Trooper. Good luck Scott. Michael Brown, a Mashpee Special Police Officer for four years, was appointed a full-time officer and attended the new Police Academy in Needham, MA. Four part-time dispatchers were hired for public safety communications.

Once again, a thank you to the members of the Mashpee Police Department for their loyalty and devotion to duty displayed throughout the year.

Thank you Town officials and Town employees for your assistance and as always a special thanks to you the voters of Mashpee for your support and understanding.

Respectfully submitted,

Curtis W. Frye
